

Notice regarding Disadvantaged Business Enterprise (DBE) program

Montrose Regional Airport has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation, 49 CFR Part 26. For Fiscal Year 2022 through 2024, the Airport has established an overall goal of 3.99% of the Federal financial assistance it will receive for improvements to the airport. The Airport estimates it will meet this goal entirely through race neutral means. The proposed DBE goal and its rationale will be available for review for 30 days following this notice during normal business hours at the airport.

The Airport will host a virtual meeting for public comment Wednesday, July 21st, at 2pm Mountain Daylight Time. Participants are encouraged to attend virtually via the following Microsoft Teams Link and Dial-In number.
